RESOLUTION NO. 2025-11-03

RESOLUTION TO ADOPT BUDGET AND APPROPRIATE SUMS OF MONEY

RESOLUTION OF THE BOARD OF DIRECTORS OF AVION METROPOLITAN DISTRICT, CITY AND COUNTY OF DENVER, COLORADO, PURSUANT TO SECTION 29-1-108, C.R.S., SUMMARIZING EXPENDITURES AND REVENUES FOR EACH FUND, ADOPTING A BUDGET AND APPROPRIATING SUMS OF MONEY FOR THE BUDGET YEAR 2026

A. The Board of Directors of Avion Metropolitan District (formerly known as Denver Connection West Metropolitan District) (the “**District**”) has appointed CliftonLarsonAllen LLP to prepare and submit a proposed budget to said governing body at the proper time.

B. CliftonLarsonAllen LLP has submitted a proposed budget to this governing body by October 15, 2025 for its consideration.

C. Upon due and proper notice, published or posted in accordance with the law, said proposed budget was open for inspection by the public at a designated place, a public hearing was held on November 18, 2025, and interested taxpayers were given the opportunity to file or register any objections to said proposed budget.

D. The budget has been prepared to comply with all terms, limitations and exemptions, including, but not limited to, reserve transfers and expenditure exemptions, under Article X, Section 20 of the Colorado Constitution (“**TABOR**”) and other laws or obligations which are applicable to or binding upon the District.

E. Whatever increases may have been made in the expenditures, like increases were added to the revenues so that the budget remains in balance, as required by law.

F. The Board of Directors has made provision therein for revenues in an amount equal to or greater than the total proposed expenditures as set forth in said budget.

G. It is not only required by law, but also necessary to appropriate the revenues provided in the budget to and for the purposes described below, thereby establishing a limitation on expenditures for the operations of the District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF AVION METROPOLITAN DISTRICT, CITY AND COUNTY OF DENVER, COLORADO:

1. The budget, as submitted, amended, and summarized by fund, is hereby approved and adopted as the budget of the District for the year stated above.

2. The budget is hereby approved and adopted, shall be certified by the Secretary of the District to all appropriate agencies and is made a part of the public records of the District.

3. The sums set forth as the total expenditures of each fund in the budget attached hereto as **Exhibit A** and incorporated herein by reference are hereby appropriated from the revenues of each fund, within each fund, for the purposes stated.

**AVION METROPOLITAN DISTRICT
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in 2016. The formation of the District was approved by the City and County of Denver, Colorado. The District was organized to provide the public improvements and the operation and maintenance of the District. The District's service area includes 115.66 acres generally to the southeast corner of Green Valley Ranch Blvd and Chambers Road.

On November 8, 2016, the District's electors authorized debt in the amount of \$140,000,000 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, and traffic and safety control. \$60,000,000 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements. The District is authorized to increase taxes \$20,000,000 annually to pay the operations and administrative costs of the District, without limitation. Additionally, the Service Plan limits the District's debt service mill levy to 50.000 mills, except that the debt service mill levy may be adjusted to take into account legislative or constitutionally imposed adjustments in assessed values or the method of their calculation.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Revenues (continued)

Property Taxes (continued)

For property tax collection year 2026, HB24B-1001 set the assessment rates as follows:

Category	Rate	Category	Rate
Single-Family Residential	6.25%	Agricultural Land	27.00%
Multi-Family Residential	6.25%	Renewable Energy Land	27.00%
Commercial	27.00%	Vacant Land	27.00%
Industrial	27.00%	Personal Property	27.00%
Lodging	27.00%	State Assessed	27.00%
		Oil & Gas Production	87.50%

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 5.00% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%.

Administrative/Closing Fees

The District imposes an Administrative Fee associated with a transfer of ownership of any dwelling unit located within the Property in the amount of \$100 per unit. The fee is due and payable at the time of sale, transfer or re-sale of any unit constructed on a lot which has a certificate of occupancy. The District's Board of Directors has approved and increase to the District's rate structure effective January 1, 2021. The transfer fee increased from \$100 to \$250 per unit.

HUB Rental Fees

The District is collecting a fee for the use or rental of the HUB Facility. The rental fee is \$150 per event and \$100 is the tenant users liability insurance protection fee per event.

Expenditures

General, Administrative, Operating and Maintenance Expenditures

General and administrative expenditures include the estimated cost of services necessary to maintain the District's administrative viability such as legal, accounting, insurance, dues, and other administrative expenditures. Estimated expenditures related to clubhouse maintenance, operations and management are included in the General Fund budget.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.00% of property tax collections.

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

Debt Service

Principal and interest payments are provided based on the debt amortization schedule from the Series 2022 A-1 Loan and Series 2022 A-2 Loans (discussed under Debt and Leases).

Debt and Leases

On March 29, 2022 the District issued its Limited Tax (Convertible to Unlimited Tax) General Obligation Refunding Loan, Series 2022A-1, in the original aggregate principal amount of \$11,350,000 (the "Series 2022 A Loan") and its Limited Tax (Convertible to Unlimited Tax) General Obligation Improvement Loan, Series 2022 A-2 in the original aggregate principal amount of up to \$1,400,000 (the "Series 2022A-2 Loan" and together with the 2022 A-1 Loan, the 2022 Loans"). The 2022 A-2 Loan has been incurred on the date hereof in the initial amount of \$105,000 ("Initial Advance") pursuant to the Loan Agreement.

The Series 2022 A-1 Loan was issued for the purpose of (i) refunding the 2017 Bonds; and (ii) paying the costs related to the issuance of the Series 2022 A-1 Loan. The issuance of the Series 2022 A-1 Loan reduces interest costs relating to the 2017 Bonds or effects other economies and, accordingly, the Series 2022 A-1 Loan is being issued pursuant to Part 13 of Article 1 of Title 32, C.R.S. In addition, the refunding of the 2017 Bonds with proceeds of the Series 2022 A-1 Loan constitutes a refinancing of District bonded debt at a lower interest rate and Article X, Section 20 of the Colorado Constitution provides that voter approval in advance is not required for refinancing district bonded debt at a lower interest rate.

The Series 2022 A-2 Loan was issued for the purpose of (i) financing and refinancing the costs of certain public improvements, and (ii) paying the costs related to the issuance of Series 2022 A-2 Loan.

Debt and Leases (continued)

On December 20, 2024 the District issued its Special Revenue Tax-Free Loan Series 2024 in the original aggregate principal amount of \$3,805,000. The Loan is being issued for the purpose of financing the costs of certain park and recreation improvements; and paying the costs related to the issuance of the Loan. The Loan is structured as cash flow loan meaning that there are no scheduled payments of principal and interest.

RESOLUTION NO. 2025-11-04

RESOLUTION TO SET MILL LEVIES

**RESOLUTION OF THE AVION METROPOLITAN DISTRICT
LEVYING GENERAL PROPERTY TAXES, PURSUANT TO SECTION 39-1-111,
C.R.S., FOR THE YEAR 2025, TO HELP DEFRAY THE COSTS OF GOVERNMENT
FOR THE 2026 BUDGET YEAR**

A. The Board of Directors of the Avion Metropolitan District (formerly known as Denver Connection West Metropolitan District) (the “**District**”) has adopted an annual budget in accordance with the Local Government Budget Law, on November 18, 2025.

B. The adopted budget is attached as Exhibit A to the Resolution of the Board of Directors of the District to Adopt Budget and Appropriate Sums of Money, and such budget is incorporated herein by this reference.

C. The amount of money necessary to balance the budget for general fund expenses from property tax revenue is identified in the budget.

D. The amount of money necessary to balance the budget for debt service fund expenses from property tax revenue is identified in the budget.

NOW, THEREFORE, PURSUANT TO SECTIONS 39-1-111(5) and 39-5-128(1), C.R.S., BE IT RESOLVED by the Board of Directors of the Avion Metropolitan District, City and County of Denver, Colorado, that:

1. For the purpose of meeting all general operating expenses of the District during the 2026 budget year, the District determined to levy mills upon each dollar of the total valuation for assessment of all taxable property within the District, as set forth in the budget, to raise the required revenue.

2. That for the purpose of meeting all debt retirement expenses of the District during the 2026 budget year, the District determined to levy mills upon each dollar of the total valuation for assessment of all taxable property within the District, as set forth in the budget, to raise the required revenue.

3. That for the purpose of meeting all contractual obligation expenses of the District during the 2026 budget year, the District determined to levy mills upon each dollar of the total valuation for assessment of all taxable property within the District, as set forth in the budget, to raise the required revenue.

4. That the Secretary is hereby authorized and directed to immediately certify to the Board of County Commissioners of the City and County of Denver, Colorado, the mill levies for the District as set forth in the District’s Certification of Mill Levies, attached hereto as **Exhibit 1** and incorporated herein by reference, recalculated as needed upon receipt of the final certification of valuation from the County Assessor in order to comply with any applicable revenue and other budgetary limits.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Evan's Place Metropolitan District
Weld County, Colorado

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of the Evan's Place Metropolitan District (the District), as of and for the year ended December 31, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District, as of December 31, 2025, and the respective changes in financial position and the budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The Supplementary Information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The Other Information, as listed in the table of contents, does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Net Changes in Fund Balances - Total Governmental Funds	\$ (927,540)

Amounts reported for governmental activities in the statement of activities are different because:

Revenue in the statement of activities that do not provide current financial resources are not reported as revenues in the fund statements.

Change in Deferred Assessments	22,884
--------------------------------	--------

Governmental funds report capital outlays as expenditures. In the statement of activities, capital outlay is not reported as an expenditure. However, the statement of activities will report as depreciation expense the allocation of the cost of any depreciable assets over the estimated useful life of the asset. During the current period, this is the net amount of capital outlay.

Depreciation Expense	(107,552)
Capital Outlay	2,765,906

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. Also, governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.

Deferred Loss on Refunding Amortization	(15,066)
Current Year Loan Principal Payment - 2022 and 2024 Loans	1,005,348

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 1 DEFINITION OF REPORTING ENTITY

Avion Metropolitan District (formerly Denver Connection West Metropolitan District) (the "District"), is a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by Order and Decree of the District Court for the City and County of Denver and recorded on December 1, 2016, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City and County of Denver, Colorado.

The District was established to provide financing for the construction, installation, and operation of public improvements and services, including streets, water, storm, sanitation, safety protection, and parks and recreation facilities, transportation, mosquito control, and covenant enforcement.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements which provide guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District is not financially accountable for any other organization, nor is the District a component unit of any other primary governmental entity.

The District has no employees, and all operations and administrative functions are contracted.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The more significant accounting policies of the District are described as follows:

Government-Wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all of the activities of the District. The effect of interfund activity has been removed from these statements. Governmental activities are normally supported by taxes and intergovernmental revenues.

The statement of net position reports all financial and capital resources of the District. The difference between the sum of assets and deferred outflows and the sum of liabilities and deferred inflows is reported as net position.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The major sources of revenue susceptible to accrual are District property taxes and interest. All other revenue items are considered to be measurable and available only when cash is received by the District. The District determined that Developer advances are not considered as revenue susceptible to accrual. Expenditures, other than interest on long-term obligations, are recorded when the liability is incurred, or the long-term obligation is due.

The District reports the following major governmental funds:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Debt Service Fund accounts for the resources accumulated and payments made for principal and interest on long-term debt of the governmental funds.

The Capital Projects Fund is used to account for financial resources to be used for the acquisition and construction of capital equipment and facilities.

The Capital Projects Reserve Fund is used to account for financial resources to be used for replacing and/or maintaining community center and capital improvements.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Budgets

In accordance with the State Budget Law of Colorado, the District's Board of Directors holds public hearings in the fall of each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures level and lapses at year-end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund on its basis of accounting unless otherwise indicated.

The District has amended its annual budget for the year ended December 31, 2025.

Pooled Cash and Investments

The District follows the practice of pooling cash and investments of all funds to maximize investment earnings. Except when required by trust or other agreements, all cash is deposited to and disbursed from a single bank account. Cash in excess of immediate operating requirements is pooled for deposit and investment flexibility. Investment earnings are allocated periodically to the participating funds based upon each fund's average equity balance in the total cash.

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes, net of estimated uncollectible taxes, are recorded initially as deferred inflow of resources in the year they are levied and measurable. The unearned property tax revenues are recorded as revenue in the year they are available or collected.

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the District as assets with an initial, individual cost of more than \$5,000. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Capital Assets (Continued)

Capital assets which are anticipated to be conveyed to other governmental entities are recorded as construction in progress and are not included in the calculation of net investment in capital assets.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related fixed assets, as applicable.

Depreciation expense has been computed using the straight-line method over the following estimated economic useful lives:

Buildings and Improvements	50 Years
Furniture and Equipment	5 to 10 Years

Deferred Inflow/Outflow of Resources

In addition to assets, the statement of net position reports a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until that time. The District has one item that qualifies for reporting in this category. Accordingly, the item Cost of Debt Refunding is deferred and recognized as an outflow of resources in the period that the amount is incurred.

In addition to liabilities, the statement of net position reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The District has one item that qualifies for reporting in this category. Accordingly, the item, *deferred property tax revenue*, is deferred and recognized as an inflow of resources in the period that the amount becomes available.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Equity

Net Position

For government-wide presentation purposes when both restricted and unrestricted resources are available for use, it is the District's practice to use restricted resources first, then unrestricted resources as they are needed.

Fund Balance

Fund balance for governmental funds should be reported in classifications that comprise a hierarchy based on the extent to which the government is bound to honor constraints on the specific purposes for which spending can occur. Governmental funds report up to five classifications of fund balance: nonspendable, restricted, committed, assigned, and unassigned.

Because circumstances differ among governments, not every government or every governmental fund will present all of these components. The following classifications describe the relative strength of the spending constraints:

Nonspendable Fund Balance – The portion of fund balance that cannot be spent because it is either not in spendable form (such as prepaid amounts or inventory) or legally or contractually required to be maintained intact.

Restricted Fund Balance – The portion of fund balance that is constrained to being used for a specific purpose by external parties (such as bondholders), constitutional provisions, or enabling legislation.

Committed Fund Balance – The portion of fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, the Board of Directors. The constraint may be removed or changed only through formal action of the Board of Directors.

Assigned Fund Balance – The portion of fund balance that is constrained by the government's intent to be used for specific purposes, but is neither restricted nor committed. Intent is expressed by the Board of Directors to be used for a specific purpose. Constraints imposed on the use of assigned amounts are more easily removed or modified than those imposed on amounts that are classified as committed.

Unassigned Fund Balance – The residual portion of fund balance that does not meet any of the criteria described above.

If more than one classification of fund balance is available for use when an expenditure is incurred, it is the District's practice to use the most restrictive classification first.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Standards

In December 2023, the GASB issued Statement No. 102, *Certain Risk Disclosures* (Statement 102). Statement 102 requires note disclosure when (a) a concentration or constraint is known prior to issuance of the financial statements, (b) it makes the reporting unit vulnerable to the risk of a substantial impact, and (c) an event associated with the concentration or constraint has occurred, has begun to occur, or is more likely than not to begin to occur within 12 months of issuance.

The District adopted the requirements of the guidance effective January 1, 2025, and has elected to apply the provisions of this standard to the beginning of the period of adoption. Management performed the analysis required under Statement 102 and did not identify any concentrations or constraints that require disclosure.

NOTE 3 CASH AND INVESTMENTS

Cash and investments as of December 31, 2025, are classified in the accompanying financial statements as follows:

Statement of Net Position:

Cash and Investments	\$ 3,442,053
Cash and Investments - Restricted	1,170,057
Total Cash and Investments	<u>\$ 4,612,110</u>

Cash and investments as of December 31, 2025, consist of the following:

Deposits with Financial Institutions	\$ 2,967,461
Investments	1,644,649
Total Cash and Investments	<u>\$ 4,612,110</u>

Deposits with Financial Institutions

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least 102% of the aggregate uninsured deposits.

The State Commissioners for banks and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

At December 31, 2025, the District's cash deposits had a bank balance and a carrying balance of \$2,967,461.

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

Investments

The District has not adopted a formal investment policy; however, the District follows state statutes regarding investments.

The District generally limits its concentration of investments to those noted with an asterisk (*) below, which are believed to have minimal credit risk, minimal interest rate risk, and no foreign currency risk. Additionally, the District is not subject to concentration risk or investment custodial risk disclosure requirements for investments that are in the possession of another party.

Colorado Revised Statutes limit investment maturities to five years or less unless formally approved by the Board of Directors. Such actions are generally associated with a debt service reserve or sinking fund requirements.

Colorado Revised Statutes specify investment instruments meeting defined rating and risk criteria in which local governments may invest which include:

- . Obligations of the United States, certain U.S. government agency securities, and securities of the World Bank
- . General obligation and revenue bonds of U.S. local government entities
- . Certain certificates of participation
- . Certain securities lending agreements
- . Bankers' acceptances of certain banks
- . Commercial paper
- . Written repurchase agreements and certain reverse repurchase agreements collateralized by certain authorized securities
- . Certain money market funds
- . Guaranteed investment contracts
- * Local government investment pools

As of December 31, 2025, the District had the following investments:

<u>Investment</u>	<u>Maturity</u>	<u>Amount</u>
Colorado Local Government Liquid Asset Trust (COLOTRUST PLUS+)	Weighted-Average Under 60 Days	\$ 1,644,649
Total Investments		<u>\$ 1,644,649</u>

COLOTRUST

The District invested in the Colorado Local Government Liquid Asset Trust (COLOTRUST) (the Trust), an investment vehicle established for local government entities in Colorado to pool surplus funds. The State Securities Commissioner administers and enforces all State statutes governing the Trust. The Trust currently offers three portfolios – COLOTRUST PRIME, COLOTRUST PLUS+, and COLOTRUST EDGE.

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

COLOTRUST (Continued)

COLOTRUST PRIME and COLOTRUST PLUS+, which operate similarly to a money market fund and each share is equal in value to \$1.00, offer daily liquidity. Both portfolios may invest in U.S. Treasury securities and repurchase agreements collateralized by U.S. Treasury securities. COLOTRUST PLUS+ may also invest in certain obligations of U.S. government agencies, highest rated commercial paper, and any security allowed under CRS 24-75-601.

COLOTRUST EDGE, a variable net asset value (NAV) Local Government Investment Pool, offers weekly liquidity and is managed to approximate a \$10.00 transactional share price. COLOTRUST EDGE may invest in securities authorized by CRS 24-75-601, including U.S. Treasury securities, repurchase agreements collateralized by U.S. Treasury securities, certain obligations of U.S. government agencies, highest rated commercial paper, and any security allowed under CRS 24-75-601.

A designated custodial bank serves as custodian for the Trust's portfolios pursuant to a custodian agreement. The custodian acts as safekeeping agent for the Trust's investment portfolios and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by the Trust. COLOTRUST PRIME and COLOTRUST PLUS+ are rated AAAM by Standard & Poor's. COLOTRUST EDGE is rated AAAs/S1 by Fitch Ratings. COLOTRUST records its investments at fair value, and the District records its investment in COLOTRUST at net asset value as determined by fair value. There are no unfunded commitments, the redemption frequency is daily or weekly, and there is no redemption notice period.

Limited Tax (Convertible to Unlimited Tax) General Obligation Refunding Loan Series 2022A-1 (the 2022A-1 Loan) and Limited Tax (Convertible to Unlimited Tax) General Obligation Improvement Loan Series 2022A-2 (the 2022A-2 Loan and together with the 2022A-1 Loan, the 2022 Loans). The District issued the 2022 Loans pursuant to a Loan Agreement between the District and NBH Bank on March 29, 2022, in the amount of \$11,350,000 for the 2022A-1 Loan and up to \$1,400,000 for the 2022A-2 Loan.

Proceeds from the issuance of the Series 2022A-1 General Obligation Refunding Loan (discussion follows) were placed in an irrevocable trust under an escrow agreement. The funds were used to pay the outstanding principal and interest on the Series 2017A Bonds on December 1, 2022, and the Series 2017B on December 15, 2022.

Details of the 2022 Loans

A portion of the 2022A-2 Loan (the Initial Advance) was advanced by the Lender to the District on the Closing Date in the amount of \$105,000 solely for the purpose of paying costs of issuance of the 2022A-2 Loan. The unfunded portion of the 2022A-2 Loan, equal to the Maximum Advance Amount of \$1,400,000 less the Initial Advance, was advanced by the Lender and applied by the District to finance or reimburse a portion of the costs of acquiring, constructing, and installing public improvements.

Unused Lines of Credit

The 2022 Loans do not have any unused lines of credit.

Collateral

No assets have been pledged as collateral on the 2022 Loans.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Details of the Loans (Continued)

Events of Default

Events of default occur if the District fails to impose the Required Mill Levy, or to apply the Pledged Revenues as required by the Indenture, and do not comply with other customary terms and conditions consistent with normal municipal financing as described in the Indentures.

Termination Events

The 2022 Loans do not have a termination provision.

Acceleration

The 2022 Loans are not subject to acceleration.

The 2022A-1 Loan was issued at the Taxable Fixed Rate of 4.03% per annum. On September 19, 2022, the Tax-Exempt Reissuance Date, the District reissued the 2022A-1 Loan to bear interest at the Tax-Exempt Fixed Rate of 3.64% per annum. The 2022A-2 Loan bears interest at the Tax-Exempt Fixed Rate of 3.64% per annum to maturity.

Interest on the 2022 Loans is payable on each June 1 and December 1, beginning on June 1, 2022. Annual principal payments are due on each December 1, beginning December 1, 2022. Interest not paid when due shall remain due and owing until paid but shall not compound or bear additional interest. The 2022 Loans mature on December 1, 2041.

The 2022 Loans may be prepaid prior to the Maturity Date, at the option of the District, at a prepayment price equal to the sum of the principal amount of the 2022 Loans so prepaid plus accrued interest thereon to the date of such prepayment, with no prepayment fee, as follows: (a) in whole, on or after March 29, 2027; or (b), in part, at any time, from any available revenues of the District other than Pledged Revenues.

Pledged Revenue

The 2022 Loans are secured by and payable solely from and to the extent of Pledged Revenue, which means the moneys derived from the following sources, net of any costs of collection:

- (a) the Required Mill Levy;
- (b) Specific Ownership Taxes as a result of the imposition of the Required Mill Levy; and
- (c) any other legally available moneys which the District determines to apply as Pledged Revenue.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Required Mill Levy

The District has covenanted to levy the “Required Mill Levy,” generally meaning:

- (a) Prior to the Conversion Date (defined below) an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal and interest on the 2022 Loans, as the same become due and payable, but not in excess of 40 mills (as adjusted for changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement on or after January 1, 2016).
- (b) On and after the Conversion Date, an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient, without limitation of rate, to pay the principal and interest on the 2022 Loans, as the same become due and payable.

The Conversion Date is the first date on which the Debt to Assessed Ratio is 50% or less. The Debt to Assessed Ratio as of any date of calculation, is the ratio derived by dividing the then-outstanding principal of all debt of the District by the most recent final assessed valuation of the District.

Events of Default

Events of default occur if the District fails to impose the Required Mill Levy or to apply the Pledged Revenue as required by the 2022 Loan Agreement, fails to pay principal and interest on the Notes when due, and does not comply with other customary terms and conditions consistent with normal municipal financing as described in the Indenture.

Special Revenue Loan Series 2024. The District issued the Loan pursuant to a Loan Agreement between the District and NBH Bank on December 20, 2024, in the amount of \$3,805,000 (the 2024 Loan). The 2024 Loan is issued to provide the necessary capital for the District to meet its financial obligations and to fund various capital projects, including the Avion Park Project (See Avion Park Funding Agreement, discussed below).

The 2024 Loan bears an interest rate of 4.820%, with interest payments due semi-annually on June 1 and December 1. Principal payments are due annually on December 1, starting in 2025. The 2024 Loan may be prepaid at any time without a prepayment fee, payments must be made in immediately available funds. The District has created and established the Loan Payment Fund, the Project Fund, and the Mill Levy Stabilization Fund (MLSF). The MLSF requirement is \$183,401.

Moneys in the Project Fund are used to pay the costs of the project. Pledged Revenue is transferred to the Loan Payment Fund. This fund is used to pay the principal and interest on the loan. The 2024 Loan is secured by the Mill Levy Stabilization Fund and is funded to the MLSF requirements. The District covenants imposed a mill levy to generate property tax revenues sufficient to fund the Mill Levy Stabilization Fund and pay the Annual Debt Requirements.

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

The annual debt service requirements on the 2024 Loan are not currently determined since it is payable only from available Pledged Revenue. The District's long-term obligations with respect to the 2022 Loans will mature as follows:

<u>Year Ending December 31,</u>	<u>Principal</u>	<u>Interest</u> ⁽¹⁾	<u>Total</u>
2026	\$ 271,000	\$ 429,904	\$ 700,904

2046-2047	1,679,573	101,532	1,781,105
Total	<u>\$ 11,810,606</u>	<u>\$ 5,924,389</u>	<u>\$ 17,734,995</u>

(1) Assumes 4.5% rate from 12/01/2041 to maturity.

Authorized Debt

The limit on the District's ability to issue Debt is set forth in its Service Plan as \$20,000,000 (the Service Plan Debt Limit). In no event is the District authorized to issue Debt in excess of the Service Plan Debt Limit, except that refunding debt shall not be applied to the Service Plan Debt Limit.

The District's voters have authorized the District to issue Debt in accordance with the Service Plan Debt Issuance Limit.

As of December 31, 2025, the amount of debt authorization remaining within the Service Plan Debt Issuance Limit is \$2,566,000.

The issuance of the 2022A-1 Loan did not use any debt authorization because the financing constitutes a refinancing of District bonded debt at a lower interest rate.

NOTES TO BASIC FINANCIAL STATEMENTS

NOTE 6 NET POSITION

The District's net position consists of three components – net investment in capital assets, restricted and unrestricted.

The net investment in capital assets component of net position consists of capital assets that will be owned by the District, net of accumulated depreciation and reduced by the outstanding balances of bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets. As of December 31, 2025, the District's net investment in capital assets was calculated as follows:

	Governmental Activities
Net Investment in Capital Assets:	
Capital Assets, Net	\$ 12,357,026
Current Portion of Outstanding Long-Term Obligations	116,885
Outstanding Long-Term Obligations	<u>(5,049,539)</u>
Net Investment in Capital Assets	<u><u>\$ 7,424,372</u></u>

The restricted component of net position includes assets that are restricted for use either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The District had restricted net position as of December 31, 2025, as follows:

	Governmental Activities
Restricted Net Position:	
Emergency Reserves	\$ 36,200
Debt Service	<u>1,857,913</u>
Total Restricted Net Position	<u><u>\$ 1,894,113</u></u>

The unrestricted component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets. The District has a deficit in unrestricted net position. This deficit amount is a result of the District being responsible for the repayment of bonds issued for public improvements, a portion of which were conveyed to other governmental entities and which costs were removed from the District's financial records.

NOTE 7 AGREEMENTS

Letter Agreement With William Lyons Homes, Inc.

On September 26, 2023, the District and Developer entered into a Letter Agreement (the "District and Developer Letter Agreement") regarding a park to be installed or constructed on Tract A (the Tract A Park (now known as Amache Prowers Memorial Park)). The District and Developer Letter Agreement recognizes that the Developer had entered into a separate letter agreement with the City (the City Letter Agreement) acknowledging the Developer's obligation to contribute \$2,100,000 toward the installation or construction of the Tract A Park (the "Developer Contribution").

Under the District and Developer Letter Agreement, the District agreed to construct or install the Tract A Park, provided that the Developer contributed the Developer Contribution to the District and provided that the City contributed additional funding under a future intergovernmental agreement between the City and District (Avion Park Funding Agreement discussed below).

Pursuant to the District and Developer Letter Agreement, the District and the Developer agree that the Developer Contribution shall be paid to the District as follows:

1. Additional entitlement work related to the real property on Tract A was necessary before installation or construction of the Tract A Park could commence and Developer agreed to forward \$100,000 to be used by the District to fund the costs associated with the necessary entitlements.
2. Within fifteen (15) days of the earlier to occur of (i) the full execution of the Avion Park Funding Agreement (discussed below) or (ii) a letter from the City to the Developer and District releasing Developer from the terms of the City Letter Agreement the Developer shall deposit with the District the following:
 - a. The amount of \$1,900,000 to be contributed towards the Tract A Park project costs; and
 - b. The amount of \$200,000 to be contributed to the City's public art program as required by the City.

The District and Developer Letter Agreement was amended on October 16, 2024, to acknowledge (i) the City's and District's agreement that construction of the Tract A Park could commence prior to the conveyance of Tract A from the Developer to the District in accordance with the obligations outlined in the Avion Park Funding Agreement (discussed below); and (ii) that the Developer shall forward the remaining Developer Contribution simultaneously with the conveyance of Tract A from the Developer to the District.

Avion Park Funding Agreement

On November 22, 2024, the District, the City and County of Denver ("City"), and William Lyon Homes, Inc. ("Developer") entered into the Avion Park Funding Agreement regarding the construction and funding of the Avion Park to be constructed on Tract A. Under the Avion Park Funding Agreement, the District agreed to construct the Avion Park on Tract A in accordance with City standards and to initially finance the construction with the proceeds of the 2022 Loans and 2024 Loan. The City agreed to reimburse the District for the costs to construct the Avion Park, in an amount not to exceed \$4,000,000.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 7 AGREEMENTS (CONTINUED)

Avion Park Funding Agreement (Continued)

The Developer agreed to convey Tract A to the District, to provide access to Tract A for construction to take place prior to conveyance of Tract A from the Developer to the District, and to provide the Developer Contribution to the District pursuant to a separate agreement between the District and the Developer (Letter Agreement with William Lyon Homes, Inc. described above).

Upon completion and City acceptance of the park improvements, the District will convey Tract A to the City.

The District is required to submit reimbursement requests to the City no more than once per month, and no less than once per year, supported by cost verification reports and proof that construction invoices were paid. The District also has periodic reporting requirements to the City regarding the status of construction.

As of December 31, 2025, the District has received \$2,098,778 from the City and County of Denver from reimbursement requests submitted by the District to the City under the Avion Park Funding Agreement.

Gateway Improvement Funding Agreement

The District and the City and County of Denver, Colorado (the City) entered into the Gateway Improvements Funding Agreement (Denver Connection West) dated September 19, 2019 (Gateway IGA). The Gateway IGA recognizes that the District is located within the Gateway Impact Fee Assessment Area (Assessment Area), as defined in the City's Gateway Impact Fee Ordinance 863, Series 2000 (Impact Fee Ordinance). The Impact Fee Ordinance provides for the collection of an Impact Fee to finance regional infrastructure within the Assessment Area.

Under the Gateway IGA, the District intends to exercise its authority to construct, provide for or finance certain regional infrastructure for the Green Valley Ranch Boulevard expansion improvements and the Memphis Street traffic signal improvements (collectively, the Gateway Improvements), both of which are impact fee projects. In 2019, the City reimbursed the District for certain funds expended by the District for constructing the Gateway Improvements in the amount of \$1,543,979.67. The City initially accepted the Gateway Improvements in 2019, and accepted responsibility for the operations and maintenance of the Gateway Improvements as of January 1, 2019. The initial acceptance letter from the City provided that the District would be informed in writing of any required repairs to the Gateway Improvements following a three-year warranty period.

NOTE 8 INTERFUND AND OPERATING TRANSFERS

The transfer from the General Fund to the Capital Projects Reserve Fund was done to fund the Capital Projects Reserve Fund. The transfer from Capital Projects Fund to Debt Service Fund was to transfer pledged revenues for the 2024 Loan.

NOTE 9 RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees; or acts of God.

The District is a member of the Colorado Special Districts Property and Liability Pool (the Pool). The Pool is an organization created by intergovernmental agreement to provide property, liability, public officials' liability, boiler and machinery, and workers' compensation coverage to its members. Settled claims have not exceeded this coverage in any of the past three fiscal years.

The District pays annual premiums to the Pool for liability, property, workers' compensation, and public officials' liability coverage. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool may be returned to the members pursuant to a distribution formula.

NOTE 10 COMMITMENTS AND CONTINGENCIES

Construction Commitments

As of December 31, 2025, the District had unexpended construction related contract commitments of \$2,158,042.

NOTE 11 TAX, SPENDING, AND DEBT LIMITATIONS

Article X, Section 20 of the Colorado Constitution, referred to as the Taxpayer's Bill of Rights (TABOR), contains tax, spending, revenue, and debt limitations which apply to the State of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth.

Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

At the election on November 8, 2016, voters of the District approved an election question allowing the District to collect and expend each year all revenues without regard to the revenue and spending limitations of TABOR.

**AVION METROPOLITAN DISTRICT
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 11 TAX, SPENDING, AND DEBT LIMITATIONS (CONTINUED)

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the emergency reserves to compensate for economic conditions, revenue shortfalls, or salary or benefit increases.

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits, will require judicial interpretation.

Section 29-1-1702, C.R.S., contains limitations on revenues generated from property tax revenues that apply to certain local governments within the state of Colorado.

Annual operating property tax revenue is limited to a 5.25% increase (10.5% increase over a two year period), such increase is determined based on a prior assessment period and adjusted for allowable exclusions and exemptions from qualified property tax revenues.

The District's management believes it is in compliance with the provisions of Section 29-1-1702, C.R.S. However, this section of the C.R.S. is complex and subject to interpretation.
